Company Description

We offer a modern collection designed to meet the demand of the global client, suitable for constant and intensive use. For generations to generation, Vietnamese craftsmen have worked with rattan, bamboo and water hyacinth to make utility goods for farming, fishing and domestic use. Vietnam always had the greatest area of natural rattan in the world. We have been one of the first companies introducing synthetic rattan to the Outdoor Industry. We make beautiful combinations of these durable synthetic rattans like HDPE and Rope with powder-coated aluminium, steel or wooden frames.
